

Management

By: Amy poot

Manager

- a person who has control or direction of an institution or business

You can't lead anyone else further than you have gone yourself. ~Gene Mauch

Plan

The meaning of plan is a scheme or method of acting, doing, proceeding, making, etc., developed in advance.

Ex. A management planning process should include a strategy for evaluating the progress toward goal completion throughout an established time period. One way to do this is through requesting a monthly progress report from department heads.

Organize

The meaning of organize is to form as or into a whole consisting of interdependent or coordinated parts, especially for united action

Ex. Employees who have an organized manager will emulate that behavior and strive for organization as well. Managers who take the organizing function seriously and consistently update their plans accordingly will achieve success in the workplace.

Direct

Direct means to manage or guide by advice, helpful information, instruction, etc.

Ex. Steven gave some advise to one of his co workers to do his job better (him some instructions for the job do.

Monitor

The meaning for monitor is a person appointed to supervise students, applicants, etc., taking an examination, chiefly to prevent cheating; proctor.

Ex. Steven makes sure that all his employees are doing their job and he also make sure that his business is going well.

Steven Reinemund

- Steven was the manager for PepsiCo
- He always organized everything for the company
- He always made sure his workers had what they needed
- When he started working for the company he started at the bottom
- He always gave great ideas about new foods and drinks to the company
- After a couple of years he became the CEO of the company
- He is now the dean for a business university
