Computer Ethics

- ❖ Do not use a computer to harm people.
- ❖ Do not interfere with other people's computer work

Ethics List

- ❖ Do not snoop around in other people's files.
- ❖ Do not use a computer to steal.

Ethics List (cont.)

- ❖ Do not use a computer download illegal items.
- ❖ Do not use a computer to tell lies about other people

Skit Background

- ❖ Our skit takes place in an office. There is a meeting that the employees must attend and one employee, Israel, is messing around on the computer, downloading music and going on You-Tube while Angelica is doing the work her boss assigned her.
