# Let the coaches coach

---

- Your coach, volunteer or paid, provides guidance, skill instruction, and supervised fun for your youngsters in soccer.

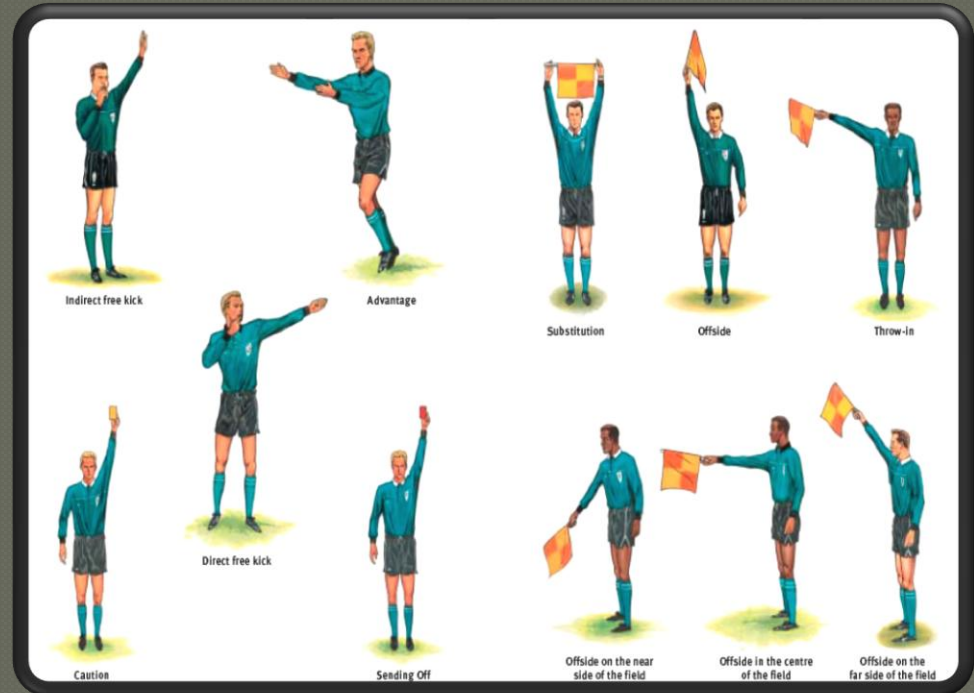

# The fun is playing

- Encourage youngsters in skill development and 100% performance.
- Winning is not their motivation.

# Know the games and the laws

- Soccer looks simple but it is complex to play, coach, and officiate.

# Practice good Sportsmanship

- Always show your sportsmanship and enthusiasm.

# Support the team, not just your youngsters

---

- Give encouragement to the entire team.
- Don't be constantly yelling at your youngster.

# Skit

---

- Jorge, Yesenia, and Juan are at a soccer field and our coach is preparing us for practice. Jorge doesn't know how to play and Yesenia demonstrates the basics of the game. Juan is soccer player # 1, Jorge is soccer player # 2, and Yesenia is the soccer coach. The scene starts at soccer practice and Jorge goes to shoot a goal and he misses and Yesenia bursts out yelling!!!
